December is the month of Poh, meaning a month of sacrifices. The month starts with the remembrance of Guru Tegh Bahadur Ji who made a supreme sacrifice – by giving his life so that people of all faiths could freely practice their religion under the Mughal regime of Aurangzeb.

Humility means being kind, respectful, and not thinking you're better than others. It's about recognizing your strengths without bragging and being open to learning from everyone—friends, teachers, and even your mistakes. A humble person celebrates others' successes, accepts feedback, and admits when they're wrong.

JANUARY CORE VALUE: RESPECT

Respect means treating other people the way you would like to be treated, and acknowledging the thoughts and opinions of others. Respect means that you accept somebody for who they are, even when they're different from you or you don't agree with them. Respect in your relationships builds feelings of trust, safety, and wellbeing. Respect doesn't have to come naturally – it is something you learn.

Respect is how to treat everyone, not just those you want to impress.

GURU GOBIND SINGH MAHARAJ JI

In the month of January we will continue to learn about Guru Gobind Singh Maharaj Ji and the sacrifices made by Guru Sahib for the whole humanity. Students will be encouraged to recite and practice Chaupai Sahib Ji.

HAPPY NEW YEAR!

We look forward to another year of collaboration, joy, and learning. Together, let's make 2026 a year full of success, kindness, and growth for all our children.

Wishing you and your family a Happy New Year, filled with health, happiness, and countless blessings!
