EXCITING NEWS!

Grade Level Gurmukhi Spelling Bee Competition!

We are deeply proud of our Kindergarten to Gr. 3 students regarding their motivation for the in-class Gurmukhi Spelling Bee! Gobind Sarvar will now be hosting the Grade-level Gurmukhi Spelling Bee Championship for K-3. In-Class winners will receive the new Gurmukhi Spelling Bee word lists for grade-level Gurmukhi Spelling Bee competition. The "Grade-level" Gurmukhi Spelling Bee contest will be held from May 13th-14th! Stay tuned on ClassDojo for more information!

Interdisciplinary Projects!

We are so proud of our Grades 1-3 students for creating such creative interdisciplinary projects! These hands-on projects allowed students to explore and connect ideas from various subjects, enhancing their creativity and critical thinking skills! The projects encouraged collaboration, problem-solving, and exploration in a fun and engaging way for students!

MOTHER'S DAY

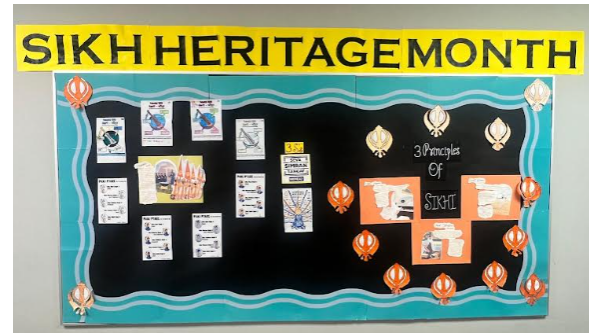

Happy Mother's Day to all our wonderful Mothers!

Theme Of The Month: Khalsa Sajna Diwas

In the month of May, we will continue to learn about Khalsa Saajna Diwas. This day is also known as the Birth of Khalsa or Vaisakhi. On Vaisakhi day in 1699, Guru Gobind Singh Ji united the common people through the creation of a universal identity, values and a new way of life - Khalsa Panth.

Alongside, our theme of the month, students will also explore "Transformation". Transformation not only happens outwardly, but inwardly as well. Vaisakhi is the perfect example and expression of how we can spiritually transform externally and internally. Guru Sahib provided us with the tools and guidance on how we too can begin to transform ourselves in our everyday life. This month students will not only explore the historical, religious and spiritual significance of Khalsa Saajna Diwas in Sikhi, but also find ways in which they can begin to transform internally and externally in order to uphold the values that Guru Sahib teaches us in Gurbani.

Core Value of the Month: Creativity

This month we will focus on the core value - Uniqueness/Creativity. Students will learn that everyone has unique character traits that makes him/her special. We all are special in our own way. Students will be taught to embrace their uniqueness and celebrate their individual qualities. Many activities will be arranged throughout the month to teach this core value to our students

"Creativity is the process of bringing something new into being. Creativity requires passion and commitment. It brings to our awareness what was previously hidden and points to new life. The experience is one of heightened consciousness: ecstasy."

– Rollo May, The Courage to Create

Kindergarten Parent Celebration!

We are excited to invite our KG Parents to a special Parent Celebration at our school, where we will honor and celebrate the amazing moms and dads in our Kindergarten community! This event will combine both Mother's Day and Father's Day, giving us the perfect opportunity to show appreciation for all the love, care, and support our parents provide.

Details of the Event:

 **Date: Thursday, May 15th 2025**

 **Time: 1:00 PM**

 **Location: Westwinds Campus (Gym). Please enter from the back doors!**

Join us for a joyful celebration featuring:

- ★ Heartfelt messages and handmade crafts from the children
- ★ Special performances and surprises from our little learners
- ★ A chance to connect with other Kindergarten families

We can't wait to share this wonderful occasion with you and celebrate the important role you play in your child's life. It will be a memorable and heartwarming afternoon!
